

[BIRTHDAY EDITION]

Happy Birthday

Rishabh M Shah

Founder & CEO, 1FC Group of Companies

WHERE IT BEGAN

He watched a family
spend months piecing
together a loved one's
finances.

Statements here. Folders there.

Answers nowhere. **He decided no
family should go through that again.**

THE EXPERIENCE

16

years in banking and
investment services.

Long enough to see the real problem: a family's money spread across **disconnected systems**, with no single framework holding it together.

SO HE BUILT

1

One framework for a family's **entire financial life.**

THE BIGGER PICTURE

India is on the brink of its biggest wealth handover.

Rishabh is building the financial operating system it needs. So families can organise, protect and pass on what they've built, **with clarity and dignity.**

WHAT HE BUILDS ON

3 ideas behind everything 1FC does.

01

Every financial decision deserves a **clear framework.**

02

Planning doesn't stop at retirement. **It extends to legacy.**

03

What a family builds should pass on **with clarity, not chaos.**

Happy birthday, **Rishabh.**

Thank you for building something
families will rely on for generations.
Here's to the next chapter.

WITH GRATITUDE, TEAM 1FC
