Subject: Proposal for a content & SEO partnership, FY 2026–27

Dear Ms. Rao,

Thank you for taking the time to walk us through Northwind's growth plans last week. As discussed, we have put together a twelve-month programme that brings your product story, search visibility and demand generation under one plan.

The programme opens with a technical SEO and content audit, followed by a quarterly editorial calendar built around your buyers' real questions. Each month you will receive a clear report on rankings, qualified traffic and pipeline influenced.

The detailed scope, timelines and commercials are enclosed with this letter. We would be glad to take you through them at your convenience.

Warm regards,
